I certify to the best of my knowledge, the above information is complete and accurate. If the health plan information is not accurate, or if I am not eligible to receive a health care benefit through this provider, I understand that I am liable for all charges for services rendered and I agree to notify this doctor immediately whenever I have changes in my health condition or health plan coverage in the future. I understand that my chiropractor or a clinical peer employed by ASH Plans may need to contact my physician if my condition needs to be co-managed. Therefore, I give authorization to my chiropractor and/or ASH Plans to contact my physician, if necessary.

Informed Consent to Chiropractic Treatment

As with any healthcare procedure there are certain complications which may arise during chiropractic manipulation and therapy. Doctors of Chiropractic are required to advise patients that there are risks associated with such treatment. In particular you should note:

- 1.) Some patients may experience some stiffness or soreness following the first few days of treatment.
- 2.) Some types of manipulation have been associated with injuries to the arteries of the neck leading or contributing to serious complications including stroke. This occurrence is exceptionally rare and remote. However, you are being informed of the possibility regardless of the extreme remote chance.
- 3.) I will make every effort to screen for any contraindications to care; however, if you have a condition that would otherwise not come to my attention, it is your responsibility to inform me.
- 4.) Other complications may include fractures, disc injuries, dislocations, muscle strain, cervical myelopathy, costovertebral strains and separations, and burns.

The probabilities of these complications are rare and generally result from some underlying weakness of the bone or tissue, which I check for during the history, examination, and x-ray (when warranted).

I acknowledge I have had the opportunity to discuss the associated risks as well as the nature and purpose of treatment with my chiropractor.

I consent to the chiropractic treatments offered or recommended to me by my chiropractor, including spinal manipulation. I intend this consent to apply to all my present and future chiropractic care.

IMPORTANT NOTICE: You may have additional coverage options for these services through your medical insurance benefits. ASH recommends that you contact your health plan to inquire regarding coverage for these services prior to signing this form.

I, _____, a member being treated by Dr. _____,
(Name of Patient/Member/Subscriber) (Chiropractor Name)

do hereby acknowledge that a certain portion of my care will not be covered by my HMO, insurance company, or health plan under the terms of my Benefit Plan with _____.
(Name of Health Plan)

I understand and agree to be responsible to self-pay for the following services:

LIST OF SERVICES TO BE PAID FOR BY MEMBER:

<u>Date</u>	<u>Procedure</u>	<u>Charge</u>
_____	_____	\$ _____
_____	Massage Therapy	\$ 28.00
_____	_____	\$ _____
_____	_____	\$ _____
_____	_____	\$ _____
_____	_____	\$ _____

Separately list each date of service on which non-covered services will be rendered and have the member initial the charge. Please attach additional Member Billing Acknowledgment form(s) for additional services.

This form is only to be used if an ASH member desires to self-pay for non-covered services. Non-covered services include services such as supplements that are not covered by the member's health plan. Non-covered services may also include services determined by ASH to be maintenance-type services.

The ASH Contracted Chiropractor may not bill the member during the course of an ASH approved treatment program unless there is a copayment, deductible, coinsurance, or the member is receiving non-covered services.

The ASH Contracted Chiropractor may not bill the member for the difference between what the ASH Contracted Chiropractor bills and what the ASH Contracted Chiropractor agreed contractually to accept as payment for services. This difference represents an amount the ASH Contracted Chiropractor agreed contractually to waive.

This agreement may not be used as a "blanket" or "retroactive" agreement to bill members for any services not reimbursed by ASH. Such use will render this agreement "void" and non-binding on the Member. This agreement may only be used to allow the member to agree to "self pay" for specific services **in advance**.

I acknowledge that I have reviewed my coverage options and that I have been told in advance of treatment what portion of my care I will have to pay for, including non-covered services as described above, and agree to make financial arrangements with my chiropractor,

Dr. _____, to pay for these services myself.
